Calibration Certificate

Equipment Information

Equipment ID:	ID-0380	Site:	Calibration Lab
Description:	LEAK DETECTOR	Department:	Tech Department
Model No:	HATCH SURE	Location:	Calibration Lab
Manufacturer:	CYGNUS	Custodian:	
		Technician:	
Serial No:		Status:	Undefined

Calibration Summary

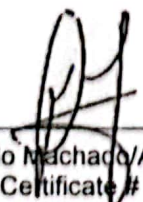

Calibrated:	01/17/2024	Frequency:	Y	Temp:	70°F	As Found:	In Tolerance
Next Cal:	01/17/2025			Humidity:	31%	Result:	Pass
Remarks:							

High Tech Supplies Inc., certifies that the instrument described above, meets or exceeds the published specifications listed using procedures contained within the specifications. This instrument has been verified using laboratory reference Equipment Master traceable to the National Institute of Standards and Technology (N.I.S.T.), and his accuracies are acceptable under the limitations of ultrasonic techniques. Our Calibration System is in compliance with ANSI/NCSL Z540-1-1994, ANSI/ISO/IEC 17025:2005 and ISO 10012:1. All is obtained performing procedure ASTM E-317

Serial	Model	Manufacturer	Tested Date
W-14833	MICROPHONE 1	CYGNUS	01/17/2024
W-14833	MICROPHONE 2	CYGNUS	01/17/2024
RX1256	RECEIVER	CYGNUS	01/17/2024
TX1256	TRANSMITTER	CYGNUS	01/17/2024
